

Director's Message

In retrospect, 2018 proved to be an exciting and productive year for the Chili Public Library. The library continued to build upon the print, and downloadable e-book and audiobook collections. Playaway pre-loaded tablets were added to our collection for our patrons to check out. The Library's Make-a-Story Room was popularly used and is now filled to capacity with STEAM related gadgets and activities, coding games, a 3-D printer, a sewing machine and more.

The New York State Summer Reading Program '*Libraries Rock!*' was quite successful, with over 500 children reading a record 164,970 minutes over the summer months, and our Youth Services staff promoted the program to over 2,800 students at the local schools. The Library held a two-day Frankenstein themed event in October to commemorate the bicentennial of Mary Shelley's classic novel, and the Library's CPL-on-the-Go! Service continued to pop-up at various local school and Town events.

The 2018 Golf Tournament fundraiser raised over \$8,000 in proceeds for the Friends of the Chili Public Library which was used for library programs. In mid-year the residents of Chili approved the bond for a new Chili Community Center Complex. The Library looks forward to creating a design for the new library befitting the growing needs of the community.

It is through the efforts of the Library Board, staff, volunteers, and the support from the Town of Chili and its residents that the Chili Public

Library Board
