To fulfill its mission of improving the life of its patrons, the Chili Public Library, in conjunction with the Friends of the Library, offers a service called **Books to People**. This program is available to residents of Chili who are restricted from driving for health reasons, or otherwise unable to get to the library. **Books to People** provides free delivery of library materials to your home on a regular basis. A librarian will select materials for you based on the interests you indicate on your application. A volunteer member of the Friends of the Chili Library will be paired with you who can deliver items from the library and return them when you are finished.

Patrons using the Chili Public Library's "Books to People" service must be residents of the Town of Chili and possess a library card in good standing. If you do not have a library card, please call the library as we will be happy to make arrangements to aid you in obtaining one. Remember, you will be responsible for any costs incurred due to lost or damaged items. After the initial set up, patrons are responsible for contacting "Books to People" volunteers directly to arrange for pick-up and delivery.

The librarian on duty will assist in advisement/selection of books and books on tape\CD. Items will be loaned to patrons for three week period with the option of renewal (if permitted). Circulation desk staff will generate a system phone call to the patron when materials are available. To register for this program, please fill out the enclosed application and return it to the library. By completing and you acknowledge your agreement to the terms stated.
