Director's Report

- **New Library Update:** Director Baker reviewed the new library floor plan and gave us a detailed description of the new CPL spaces. It allowed us to visualize the placement of areas and furnishings in the library. Vargas Associates has been very helpful with their knowledge of necessary timelines for the ordering of furniture and shelving.

General Information:

- Friends of the CPL Board:** The CPL Friends had an outdoor pop-up mini booksale on the library lawn next to the parking lot on September 9 and 16. Weather permitting the mini book sale will occur every Wednesday throughout September. The CPL Friends Board annual meeting will be held on Tuesday, October 13, 2020. The book sales have been successful.
- CPL Foundation:** The CPL Foundation has created a fundraising case statement of which the information will be used when writing grants and approaching potential donors. The CPL Foundation is in the process of developing a leaflet to present the CPL Foundation mission, goals and aims to the public.
- League of Women Voters:** Volunteers from the League of Women Voters have been at table in the Library's lobby to help anyone who would like to register to vote. The volunteers will be at the Library on Wednesdays from 10 am to 12 pm on September 9, 16, 23, 30, and October 7. This meets the NYS Standard of Library and Community Collaboration.
- Creative Writing Club:** The Library has a virtual Creative Writing Club which met September 9th via Zoom. This interactive group focuses on nurturing one another's creative writing efforts. Participants include already published authors and well as those eager to write more and perhaps get published themselves.

Old Items:

- Quarantining DVDs and CDs:** OCLC, the Institute of Museum and Library Services, and Battelle have been conducting research on how long the COVID-19 virus survives on materials that are prevalent in libraries, archives, and museums. The REALM project draws upon the research to produce authoritative, science-based information on how—or if—materials can be handled to mitigate exposure to staff and visitors. Because of the result of Test 1, MCLS libraries quarantine books for three days. Based on the results of test 4, the Monroe County Library System recommended libraries quarantine DVDs and CDs for four days. The Chili Public Library has implemented that recommendation. Return dates are backdated to avoid fines that would have been incurred due to the quarantining.

New Items:

- **UMS Collection:** At the September Directors Council meeting the directors decided to keep UMS turnovers on hold until January 1st, 2021. Patrons will still be sent to UMS that have over \$35.00 in fines, but UMS will not be initiating any collection action until January 1, 2021.
