

Tech Tutors Assistance Form

Offering basic skills to get you on your way to using new technology.

Please note:

- 1. We will call as soon as we are able to, however we have limited staff to assist.
- 2. Our classes are limited to up to **30 minutes**, so please pick one specific goal.
- 3. After thirty minutes, if you need more help, we ask that you set up another session.
- 4. Please have all passwords, email addresses and cables with you.**
- 5. If what you want to learn is something that is out of our abilities, we will be happy to find other organizations that may be able help you.
